

# RSHE UPDATE 2025

**FOLLOWING OUR CHANGE FROM PSHE TO RSHE, KNOWN AS RELATIONSHIPS, SEX AND HEALTH EDUCATION IN 2024, TO ENSURE FOCUS ON RELATIONSHIPS FOLLOWING STATUTORY GUIDANCE, WE WOULD NOW LIKE TO UPDATE YOU ON THE RECENT GUIDANCE CHANGES THAT WILL START TO BE IMPLEMENTED THIS ACADEMIC YEAR.**

At Broadlands, we deliver RSHE with support of SCARF Corum 2025. 'SCARF is a resource used by schools to help them deliver an age-appropriate, developmental curriculum, with lessons that cover Relationships and Health Education. This helps to ensure that schools meet the DfE's statutory requirements.

SCARF also includes broader topics, such as environmental and economic education so that children receive comprehensive Personal, Social, Health and Economic (PSHE) education'. We are working closely with Corum to ensure recent updates to the guidance as delivered to the children in the most appropriate and effective way.

**CHANGES TO DFE GUIDANCE 2025, WILL SUPPORT US TO FOCUS ON THE FOLLOWING THREE AREAS.**

**Focus on Real  
World  
Challenges**

**Mental Health  
and Emotional  
Literacy**

**Foundations for  
Learning and  
Safety Skills**

**Please contact us or ask at the office for a copy of our RSHE policy if you would like information in further detail.**
