At Broadlands, our children's health and wellbeing is of the highest importance, and we are looking forward to Celebrating Children's Mental Health Week, which is 7<sup>th</sup> February 2022. We are planning on joining a virtual assembly for the children, creative activities and discussion in classes around the theme of 'Growing together'. Now more than ever, it's important that we all understand how to help children to communicate about their feelings, and if you are interested in developing ways to communicate supportively around mental health and wellbeing, Hereford-based 'Stride Active' are putting on a parent workshop on 10th February to share tools and research in this area. For more information and to sign up see the flyer attached or follow this link.

We will finish this week off on Friday 11<sup>th</sup> February 2022 with a 'Dress to Express' day. The children and staff are being invited to come to school in clothes they feel express who they are. They could wear their favourite colour or a unique outfit to express how they're feeling, it could be as simple or elaborate as you like. Dress to Express is an opportunity for self-expression and celebrating the diverse range of emotions. We are asking for a donation of £1 to send to the charity Place2Be.
